

Virtual EUROPEAN ASSOCIATION OF PSYCHOLOGY AND LAW

AUGUST 23-27, 2021

Dear attendee,

Thank you for joining the second **Virtual European Association of Psychology and Law Conference**, which will be held on Zoom from August 23 – 27, between 12:00 – 17:00 Central European Summer Time. We hope you look forward to an exciting range of events filled with keynotes, talks, interactive sessions and round table discussions spanning across different areas of forensic and legal psychology, as well as social events.

This document contains the preliminary schedule for the event, the links to join the meeting and the book of abstracts. As you will see, there is a fantastic line-up of speakers and topics.

In order to ensure a smooth-running event, please make a note of some housekeeping points below:

- The program is scheduled in Central European Summer Time. Please check the correct times in your time zone.
- There are some parallel sessions. Each session, therefore, has a separate Zoom link and password, which you will need to join the session. You can use the same link for the parallel sessions throughout the conference.
- Please use your full name as username.
- Please make sure your microphone is muted through the sessions. To check this, see the bottom left icon on your zoom screen. If the microphone icon has a strikethrough, your microphone is muted.
- You can (and you are encouraged to) keep your video on throughout the talks. This is so the presenters can see some friendly faces in the virtual crowd.
- The moderator of the session will co-ordinate questions. If you have a question throughout the talk or once the talk has finished, please privately message the moderator of the session "Q" or "question", so that the host can call upon you during question time to ask your question personally. Following this guide will ensure that no-one is left out! When called upon, please unmute yourself and use your microphone to ask your question. This will speed the process along and ensure we can get through as many questions as possible.
- Please keep in mind that each session will be audio and video recorded, so that we can share the talks with others who are not able to attend live. If you do not wish to be seen or heard, you can keep your video and microphone off throughout the session.
- You can switch between sessions if you'd like to hear a talk from the alternate session.

Please contact us if you have any questions. We look forward to seeing you at the #VEAPL2021!

On behalf of the EAPL and the vEAPL organizing committee,

Linda Geven
